HIGHLIGHTS

STANDARD EQUIPMENT

SMART PERFORMANCE

Smart Performance features static electronic ballasts for a reliably strong tanning performance while reducing energy input. Simply put – full tanning performance for clients an up to 20% energy savings for your salon.

ULTRA PERFORMANCE +

The Ultra Performance Plus technology with glass reflectors incl. UV-B spaghetti lamps and special filters set the standard for efficiency in the facial tanning area.

COMFORT COOLING

Comfort Cooling Plus coats body and face with a pleasant cooling air flow. The ventilation for face and body automatically ensures the right climate.

INTERIOR LIGHT

The new interior light emphasizes the features in the tanning tunnel. The brightly illuminated tanning tunnel appears particularly hygienic and invites your customers to tan.

BODY ACRYLIC

Thick, high-quality acrylic suited to withstand even highest customer volumes in your club.

OPTIONAL

3D SOUND

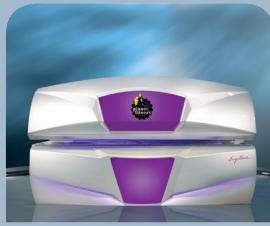

The 3D-Sound System will bathe you in a sumptuous sea of sound as you tan. The system consists of two speakers, an SD card slot, and MP3 dock-in.

MP3 AUX

With this function you can connect an MP3 Player or a smart phone to enjoy your own music during the session. The Auto Play function will recognize the connection automatically.

VOICE GUIDE

Voice Guide walks you through every step of the session in a pleasant and friendly voice as you control the sunbed.
